Jennifer Pacey - Writer/Director

Jen joined the Fab Nobs committee in 2016 after a long theatre hiatus. As she has twin 6 year olds, she enthusiastically rallied for Fab Nobs to produce their first children's theatre show, producing the original script within a few months. Thrilled to be back doing what she loves, Jen picked up the reins to direct as well and is delighted to see the script come to life.

Sally McKenzie - Composer/Musical Director

This is Sally's third time in the position of Musical Director with Fab Nobs. In 2015 she musically-directed Into The Woods and last year Fab Nobs' first youth production - 'Electricity'. Sally is also a member of the Fab Nobs committee. Sally is a singing teacher by day and has performed in and musically-directed many musicals over the past 25 years, but this her first children's production.

Jess Kaplonyi - Prudence

Jess started performing at an early age, and realised as an adult that she wanted to encourage kids to express their creativity through music, song, and dance and being a bit silly in a safe space. For a short time she taught performing arts to kids aged 0-12, and now she takes every opportunity to perform for young and old (...er) because it will always be the thing she loves best.

Owen James - Perry

Owen is a student of Public Relations and works as a pianist for schools, theatre companies, and recording studios around Melbourne. He has previously featured onstage as Gabe in Next to Normal, Angel in RENT and Jack in Into The Woods and will be directing for his fourth time with Chicago for Fab Nobs in 2017. He hopes all the little piglets enjoy the show today!

Emma Sutcliffe - Puddles

This is Emma's debut at Fab Nobs Theatre and she is thrilled to be working with such a talented group of people. Emma has worked with ARK Theatre amongst a number of other companies. She has done a wide range of shows from straight plays to musicals to variety shows and is keen to tread the boards in future musical productions.

Nik Grbic - The Big Bad Wolf

Nik is super excited to be playing the role of The Big Bad Wolf. This is Nik's first appearance on the Fab Nobs stage and he has had an extremely good time working with the cast and crew. Nik enjoys entertaining children and hopes everyone enjoys the show.

Elizabeth Matjacic - Winifred
